Editor's NOTEBOOK

Dear Archie Readers,

Now that summer vacation is in full swing, I thought you'd like to know about some of the exciting new books to look for this month. First, there's the *Veronica Summer Special #225*, November. It's Veronica in all her glory here, but expensive taste in clothes is her questionable taste in boyfriends, namely Archie. If you are a Veronica fan, this is one issue you don't want to miss. Then there's Archie and the KID, November. Can you imagine Mr. Weatherman stuck with Archie for an entire summer? A scary thought to say the least, especially for Mr. Weatherman. Nevertheless this hilarious issue will have you rolling on the floor, down the steps, up the hill, around the corner, down the street! So roll by your favorite newsstand or comic shop and pick up your copy today. Our latest edition to the Archie Comic line is the first issue in a four issue mini-series of the Koosh Kid. This #1 collector's edition is on sale JULY 30, so grab your Koosh Kid collection before they're all sold out!

Don't forget, if you're entering the Archie Interview Contest, all interviews must be in and postmarked no later than July 31, 1991. Also, you can still keep sending in Archie anniversary cards. We're wallpapering the Archie editorial offices with them and I might say they look absolutely fantastic.
